The iaedp Certification Process:

iaedp established the certification process to promote standards of excellence within the field of eating disorders. Professionals who demonstrate clinical expertise through education, experience and a rigorous examination are eligible for the Traditional Certification as a Certified Eating Disorders Specialist (CEDS) for therapists and physicians, Certified Eating Disorders Registered Dietitian (CEDRD) for registered dietitians, Certified Eating Disorders Creative Arts Therapist (CEDCAT) for art, music, recreation and dance/movement therapists, or Certified Eating Disorders Registered Nurse (CEDRN) for registered nurses. If you have practiced as a licensed or registered clinician for five or more years in the field of eating disorders, the committee recommends you review the Equivalency Certification Checklist to see if you qualify.

Individuals with iaedp Certification designations (CEDS, CEDRD, CEDCAT, or CEDRN) are health care professionals who have met rigorous educational and skill requirements, have accumulated a minimum number of hours of qualifying work experience, have made a commitment to stay abreast of current developments in the field through continuing education, and have agreed to comply with the Association's ethical principles.

Supervision/Consultation Requirement

Traditional Certification

- 2500 supervised patient care hours directly in the field of eating disorders
- All patient care hours must be supervised by an iaedp™-Approved Supervisor.

Supervision/Consultation Requirement
Traditional Certification

Selection of an approved supervisor:

- ***Option 1-***

  Choose an iaedp™ -Approved Supervisor by searching the iaedp™ membership directory or MemberLEAD

  (NOT limited to your own geographical area)

- ***Option 2-***

  Use a current supervisor with whom you work who is an iaedp™ -Approved Supervisor

  (For applications received after August 1, 2020, supervisor must have been approved for all hours signed)

iaedp™ -Approved Supervisor

Professionals pursuing Traditional Certification are required to be supervised by a qualified professional who has completed the iaedp™ Approved Supervisor application process.

An iaedp™-Approved Supervisor is as an experienced professional in the field of eating disorders who:

- is not one's primary personal therapist
- Is certified as CEDS, CEDRD, CEDRN and/or CEDCAT
- is approved via separate application as an iaedp™ supervisor
  - CEDS-S, CEDRD-S, CEDRN-S, CEDCAT-S

iaedp™ Approved Supervisor

As of October 1, 2018, Certification is required for Supervisor status.

Supervisor Application Process

- iaedp™ Approved Supervisor Application (available at www.iaedp.com under Certification Overview)
- Active Certification as CEDS, CEDRD, CEDRN, CEDCAT
- One-time application fee of $75
- iaedp™ Membership
- After August 1st, new supervisors will need to pass a short test prior to approval.

Supervisor Renewal Process (After August 1, 2020)

- When Certification renews, signed receipt of supervisor responsibilities.

Why Supervision/Consultation?

- Opportunity to learn and mature into an experienced eating disorders professional
- Opportunity to work on your skills and competencies
- Fundamentally protects your clients' welfare
- Improves your ability to provide value to clients
- Allows you to monitor your own self-care as a clinician in the field of eating disorders.

What to Expect From Your Supervisee

- Familiar with and knowledgeable of every diagnosis related to eating disorders as outlined by the DSM-5
- Possesses strong communication skills as evident in the relationships between clients and clinician
- Aware and prepared to meet the specific needs and challenges of different ages, gender and family structure, as applicable, of each individual client presenting with an eating disorders
- Comfortable and effective in communicating within a multi-disciplinary eating disorder treatment team
- Proficient at both individual and group patient care settings, where applicable.

What to Expect From Your Supervisor

Choose carefully, not conveniently

Ask questions about your potential supervisor

- What type of license do they hold and how long?
- What is their experience with supervision?
- How many other supervisees have they had in past 2-5 years?
- What is their practice background?
- What is their theoretical orientation and are they comfortable supervising someone who comes from a different orientation?
- What are their specialty areas?

What to Expect from Your Supervisor

Start and maintain a good supervisory relationship

- Look for warmth, trust, ethical boundaries, confidentiality, genuineness and respect
- Spend time going over goals and objectives in the beginning
- Decide how progress towards goals will be measured and communicated
- Be clear about expectations about time, fees, etc.
- Be proactive and develop a collaborative experience

Supervision Requirement

Professionals pursuing Traditional Certification are required to be supervised by a qualified professional who has completed the iaedp™ Approved Supervisor application process.

- All applicants must receive supervision from an iaedp™-Approved Supervisor *within their own discipline for 75% or greater of total patient care hours*
- Up to 25% of total patient care hours can be supervised by an iaedp™- Approved Supervisor within *another* discipline

When Can I Begin Accruing Hours?

Effective for applications received after July 1 2018, hours may be accrued as follows:

Masters Level Therapists- After registration number is acquired, post-graduation, through practicing state. Must be independently licensed to receive CEDS.

Psychologists - After APA accredited internship year begins. Must be independently licensed to receive CEDS.

Registered Dietitians - After registration number through Commission on Dietetics Registration (CDR) is acquired.

Medical Providers - After license number is acquired through state and residency can begin.

Nurses - After state licensure number is acquired

Hours accumulated in less than two (2) years and/or in excess of 40 per week will not be accepted.

Supervision Requirement

Professionals pursuing Traditional Certification are required to be supervised by a qualified professional who has completed the iaedp™ Approved Supervisor application process.

- **Fees**: Each supervisor sets their own fee schedule, based upon the applicant's experience and clientele.
- **Frequency**: iaedp™ requires no less than one (1) hour of supervision per 120 hours of client contact.
- **Minimum # of supervision hours:** based on above frequency, you will need no less than 21 total hours of supervision from your iaedp™-Approved Supervisor(s)

Supervision Requirement

Professionals pursuing Traditional Certification are required to be supervised by a qualified professional who has completed the iaedp™ Approved Supervisor application process.

- **Type of supervision:** An hour of supervision may include both *individual* or *group* sessions.
  - iaedp™ requires a 3:1 ratio of individual to group supervision.
    - Example: Individual @ 16 total hours (75%) and Group at 5 hours (25%) for a total of 21 hours supervision.

- **Mode of supervision**: Each supervisor sets his or her own preference for either in-person, on-line or by telephone supervision, based upon the geographical location.

Supervision vs. Supervised Hours

- ***Supervision*** hours - the time consulting with your supervisor(s) (≥ 21 hours)

- ***Supervised*** hours - the ≥ 2500 practice hours overseen by, and signed off by, your approved supervisor(s)

Supervision Requirement

Professionals pursuing Traditional Certification are required to be supervised by a qualified professional who has completed the iaedp™ Approved Supervisor application process.

- Applicants may use the “Applicant Log for Patient Care Hours” (not required) to keep up with personal log of total supervised hours
- Supervisor completes the “**Approved Supervisor’s Documentation Form**” (required) to verify and sign off on all patient care hours
- Applicant submits Supervisor’s documentation form WITH completed Application packet to iaedp™ when ready.

Approved Supervisor's Documentation Form

After August 1st, 2020 only iaedp-Approved Supervisors are eligible to sign off on iaedp Certification hours.

Here are some scenarios that might help you if your supervisor for iaedp Certification has not registered as an iaedp-Approved Supervisor prior to the deadline.

SCENARIO A

My supervisor for iaedp-Certification will be or has been an iaedp-Approved Supervisor prior to August 1, 2020.

Scenario A response - *All hours you have been working with them will count towards your certification.*

SCENARIO B

My supervisor for iaedp-Certification is not an iaedp-Approved Supervisor prior to August 1, 2020 but plans to become an iaedp-Approved Supervisor soon.

Scenario B response - *When your supervisor's application is received by iaedp after August 1, 2020, your certification application will be reviewed to ensure your newly approved iaedp supervisor would have qualified to provide iaedp supervision during the dates they have signed off on. If so, all hours will count towards your certification. If not, your application will be returned to you.*

SCENARIO C

My supervisor for iaedp-Certification is not an iaedp-Approved Supervisor prior to August 1, 2020 and does not intend to become a Certified iaedp-Approved Supervisor.

Scenario C response - *Only Certified iaedp-Approved Supervisors will be eligible to sign off on hours accrued after August 1st, 2020.*
If your supervisor does not intend to become a fully Certified iaedp-Approved Supervisor and they feel they qualify to sign off on your hours prior to April 1st, they may complete a one-time supervisor affidavit.
If your supervisor's one-time application is approved, your certification application will be reviewed to ensure your supervisor would have qualified to provide iaedp-supervision over the time frame they verified working with you (up to but not beyond August 1, 2020).

If your supervisor's qualifications are met for your hours, all hours will count towards your certification. If not, your application will be returned to you.

Regardless of decisions, one-time-only supervisor approvals are not eligible to sign off on hours accrued after August 1, 2020.
